

JAFCO Group Celebrates 50th Anniversary

JAFCO Group Co., Ltd. (Head office: Minato-ku, Tokyo; President & CEO: Keisuke Miyoshi; hereinafter “JAFCO”) celebrates its 50th anniversary today and would like to thank everyone who has supported its activities.

For 50 years since its establishment, JAFCO has continued to invest through good times and bad and committed to the creation of new businesses. We have broadened the scope of investments from domestic to overseas and from venture to buyout investments, contributing to sustainable social growth through investment in diverse challenges.

As social issues become more complex and rapid changes are required, we reexamined our social significance and this year established our new Purpose — “Fueling perpetual growth; investing in bold visions.” On the occasion of our 50th anniversary, we resolved anew to continue to invest in bold visions of entrepreneurs and startup management teams with a sense of social responsibility and determination to usher in a new era, while inheriting the values JAFCO has held since its establishment.

Comment from President & CEO Keisuke Miyoshi

“JAFCO’s history is a history of creating risk money originating in Japan.

We have realized the visions of entrepreneurs creating new values and companies aiming to expand further through our investment expertise. Inheriting the aspirations of our former/senior colleagues who have built and evolved this foundation since our establishment, we will continue to invest in bold visions in realizing our Purpose. Through consistent investment, we will work with you all to fuel perpetual growth in Japan and around the world.”
